Questionnaire

Thank you for taking the time and interest in attending today's event.

We would be pleased if you would complete this questionnaire and place it in the box nearby so that we can consider the community's opinions on this project when we finalise our design for the site and submit our planning application.

For each question overleaf, please tick the box which applies to your opinion and add any extra comments beneath if you wish.

1. Now that Sydenhams has closed and relocated, do you support the proposed redevelopment of this site with housing?

2. Do you support development of new housing in Maiden Bradley generally?

3. Do you support the proposed shop within the development? Or another use?

We understand that the shop at this location closed in 2018 and that there is now a shop open in the Memorial Hall for essential groceries. Could / should a shop re-open at the Sydenhams site? If not a shop, is there another community use requirement for the building?

4. Would you prefer the main vehicular access to be from Bradley Lane as it was with Sydenhams, or a new route into the site with access off Church Street?

Bradley Lane	Church Street

5. Do you support the proposed pedestrian route between Church Street and the Recreation Ground?

Our intention is again to better integrate the development with the village and facilitate access to/from the Recreation Ground.
