

Maiden Bradley with Yarnfield Parish Council

Rights of Way Team

Ref: SJJ20-005

6th January 2020

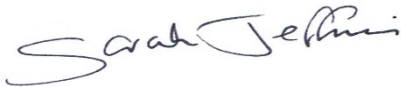

Dear Rights of Way Team,

Maiden Bradley with Yarnfield Parish Council

The Parish Council in Maiden Bradley and Yarnfield are pleased to share with you a copy of our Parish Development Plan for 2019-2025. The plan sets out the findings of our year-long consultation process, which has involved two public meetings, a discussion with under-18s, and a parish-wide survey. Based on the comments made by our parishioners, we have drafted an action plan which is also included in the final report.

Improving and maintaining rights of way and footpaths around the village was a topical issue raised by villagers in our consultation meetings and in the survey. We would be most grateful if you could read the relevant section and whenever feasible, visit our village in order to assess the network, provide expert advice and to meet with interested villagers.

Yours faithfully,

Sarah Jeffries PSLCC
Clerk to the Parish Council
